

Bespoke Programs

DESCRIPTION

Like what you see in our course offerings but looking for something specifically tailored to your needs?

Look between the courses and create one tailor made for you, customised according to your own schedule. Whether you are in need of one on one private instruction, preparing for a cocktail competition, seeking bespoke service to train your entire bar staff, or require support in approaching new brands; we're here to make your dreams a reality.

Simply let us know what you hope to achieve and we'll work through the details to ensure that your time is maximised to its potential, while you can relax knowing you'll be in the hands of industry professionals every step of the way.
